

OTEL

# iPhone Application Installation Instructions.

1

Open App Store

2

Search for OTEL and Click on INSTALL

3

If you don't have your own Apple ID, use following Apple ID and Password. If you forgot your Apple ID Password, Open **App store**, go to **Featured** section and scroll down to the bottom, click on **Apple ID**, then on **Sign Out** and **Sign In** with following Apple ID.

USERNAME:  
**otel.appleid1@gmail.com**

PASSWORD:  
**06May2013**

4

When the download is finished, open **OTEL** application and click on **LOG IN**, followed by **ACCOUNT SETTINGS**

5

USERNAME – insert username.  
PASSWORD – insert Password.  
Click on **Settings** and then on **DONE**.

6

Next, dial the country code, followed by the area code and then the phone number.

## CHANGE TO A NEW CARD

If you want to use a different card, switch to a new Username and Password.

Click on **SETTINGS** and then on **ACCOUNT SETTINGS**

USERNAME – new username  
PASSWORD – new password

**Note:** OTEL iPhone application is not supported by earlier versions than iOS 5.0. Please upgrade your iPhone software at iTunes store before installing OTEL application. In case of problems, please contact our support.
